### Koyle Cerro Basalto Cuartel G2 Carmenère 2017

From a cool spot for Chilean carmenère, this is a ripe yet fresh and eminently drinkable wine with aspects reminiscent of Saint-Emilion. The hillside site produces low yields so the wine is concentrated but not in a syrupy way, and it has lovely length and freshness. The 15% cabernet franc in the blend emphasizes the cedary, lead pencil notes.

### The Society's Exhibition Alto Maipo Cabernet Sauvignon 2018

Cabernet sauvignon thrives in the Alto Maipo's warm, alluvial, gravelly soils formed by the Maipo River. The climate is moderated by the high altitude and the cool nighttime air that descends from the nearby Andes producing a fine, firm and linear style rather than 'fruit bombs'. This bottling assembles wines from two of the Alto Maipo's greatest communes. 76% is from Pirque, which brings elegance and length of flavour, and 24% from Puente Alto, which fills out the mid-palate with its ripe, blackcurrant-scented fruit. It was matured in barrels for 16 months to develop exquisite cedary aromas and silky tannins and was made exclusively for us by Chilean producer Concha y Toro's outstanding winemaker, Ignacio Recabarren.

### Vasco and The Explorers Verdelho, Western Cape 2018

Being in the right place at the right time allowed us to pick up this exclusive South African parcel. It's made by Nederburg's award-winning winemaking team and was too small to merit one of their stand-alone bottlings but too good to be blended away! A fantastic one-off from one of the Cape's top producers. Juicy, fresh and just a little bit creamy from the Portuguese grape, verdelho (which Vasco da Gama did not take to the Cape!)
