

### **Channel Islands Consignment Details**

The Wine Society offers an export service to the Channel Islands enabling members to purchase wines and some spirits free of UK duty and VAT.

The vast majority of The Society's listed wines can be exported free of UK duty and VAT (that is, 'in-bond') from our bonded warehouse. Customs and Excise regulations mean that we are able to supply unmixed cases only, or unmixed half-bottle cases, where these are available.

Freight charges for small orders of one or two cases can be as much as £50-£70. By grouping several members' orders together in one consignment, however, the cost can be reduced to approximately £7.00 per case.

Wines will be charged to your Wine Society account prior to your order leaving our cellars at Stevenage. Freight charges and Channel Island duties/relevant taxes will be invoiced to you once delivery has taken place.

The Society arranges two group consignments a year: one in July and one in time for Christmas:

<b>Unmixed cases from</b>	<b>Order deadline</b>	<b>Consignment arrival</b>
Current List/Offers	30th April 2020	By June/July
Current List/Offers	31st October 2020	In time for Christmas

The order deadlines provide The Society with three to four weeks to prepare the necessary paperwork & local customs clearance. Once wines have arrived in the Channel Islands, members will be notified by the shipping agent.

If you would like to place an order or have any further questions, please telephone 01438 741177 and ask for the Export Department. If placing your order by post, please mark 'EXPORT CONSIGNMENT' on the order form which should be completed and returned. Alternatively please e-mail [export@thewinesociety.com](mailto:export@thewinesociety.com).
